4,547	55	352	July 2008
-------	----	-----	-----------

The screenshot shows a web browser window with the address bar displaying a URL. The page title is "About the Book - Conditional". The main content area is mostly blank, with some faint text and a table structure visible. The table has several rows and columns, but the content is mostly illegible due to the low resolution and blurriness of the image.

Feathered & Co. Inc. 2009

The screenshot shows a Twitter interface. At the top, there's a header with the text "The photography contest is back at @ThePhotographyBlog". Below this, a tweet from @ThePhotographyBlog is visible, dated "11/11/2014". The tweet text reads: "We're back with a new contest! We're looking for the best photography of the month. The winner will receive a \$1000 prize. The contest runs from November 11th to November 30th. To enter, simply tweet a photo of your best work and tag @ThePhotographyBlog. The winner will be chosen by a panel of judges. Good luck!" The tweet has 10 retweets and 10 likes. Below the tweet, there are two columns of user avatars and names, likely representing users who interacted with the tweet. The bottom of the screenshot shows a portion of another tweet from @ThePhotographyBlog, dated "11/11/2014", which says: "We're back with a new contest! We're looking for the best photography of the month. The winner will receive a \$1000 prize. The contest runs from November 11th to November 30th. To enter, simply tweet a photo of your best work and tag @ThePhotographyBlog. The winner will be chosen by a panel of judges. Good luck!"

Desktop Workarea = 344Cps

Tablet View of the iPad app. The interface is dark-themed. On the right side, there is a sidebar menu with several options, including "Home", "About", "Contact", "Privacy", "Terms", "FAQ", "Help", "Feedback", "Settings", and "Logout". The main content area on the left displays a "Welcome to the iPad app" message, followed by a "Get started" button and a "Learn more" link.

Empty Stakes

The screenshot shows a document with four highlighted text boxes. Each box contains a snippet of text, likely from a legal or technical document. The text is in English and appears to be a mix of formal and informal language. The boxes are arranged in a 2x2 grid. The top-left box contains text about a 'Person' and 'Personnel'. The top-right box contains text about 'Personnel' and 'Personnel'. The bottom-left box contains text about 'Personnel' and 'Personnel'. The bottom-right box contains text about 'Personnel' and 'Personnel'.

Figure 1 consists of four panels, each showing a scatter plot of 'Number of correct responses' (y-axis) versus 'Number of trials' (x-axis). The panels are arranged in a 2x2 grid. The top row shows results for a single trial (1 trial) and the bottom row shows results for multiple trials (2, 3, 4 trials). The x-axis for all panels is 'Number of trials' and the y-axis is 'Number of correct responses'.

- Top Left Panel (1 trial):** Shows a single data point at (1, 1) with a vertical error bar.
- Top Right Panel (2 trials):** Shows two data points at (2, 2) and (2, 3) with vertical error bars.
- Bottom Left Panel (3 trials):** Shows three data points at (3, 3), (3, 4), and (3, 5) with vertical error bars.
- Bottom Right Panel (4 trials):** Shows four data points at (4, 4), (4, 5), (4, 6), and (4, 7) with vertical error bars.
